The Dina Preston Band is the most talented and professional group we have ever had perform for our organization since its founding in 1927. The event was a huge success and the audience continues to send positive and complimentary notes to the host about the band. **Los Caballeros V.P. Ken Clarence, El Paso, TX.**

Dear Dina,

The Dina Preston has been the best program for me here in Hungary – Thanks to you, we achieved several Mission's objectives, such as youth and minority outreach, Economic Statecraft Initiative and, of course, showcasing of American culture. It was such a pleasure to work with you, Don, Dave and Mark, to enjoy your music and to draw from your optimism, energy and sense of humor. We've got positive feedback from your listeners to American Corners' Directors and to our staff.

I miss you already and some of your songs are still buzzing in my head. Would you, could you, ain't you gonna if I asked you if you wanna come to Hungary again?

Warm regards to all of you, Dmitri Tarakhovsky

The Best!!

We have been using the Dina Preston Band for over five years at annual and special events. There has never been a glitch in any of their performances. They provide music that can be enjoyed by any age group and in any setting or theme. Their experience is evidence of their willingness to work with a client and provide musical entertainment that has been enjoyed by all who have attended our functions. **Without hesitation we would recommend this band and intend to use them in the future while referring their services to others.**

The Dina Preston Band is fantastic! They not only entertained our group, but everyone walking along the lawn and sitting on the patio stayed to listen to them play. They are extremely professional and know how to play to high-end corporate type of guests. Their music is absolutely the best and it kept everyone asking for more. Our guests stayed long after the food was served and the dishes cleared just to listen to the band. I will definitely hire them again for our meeting in Phoenix next year. -**Garnett B, Aerospace Industries Association**

“ENTERTAINMENT should be Don's middle name. His talents illuminate across the stage when he joins the **Dina Preston Band** providing musical enjoyment at any event. I've seen him perform at AZMPI chapter events and the crowd goes wild. Don and his team can read an audience and their performances adjust to the ambience of the patrons. Dance floors evolve, microphones are shared, and audience participation is eminent. **DEO Entertainment and the Dina Preston Band are your ticket to the top of the charts.** **Donna Masiulewicz; CMP President, Timeline Meetings and Events**

“Nothing but the best about this band”. I had the pleasure of working with Dina, Don, Henry and Mark during their tour to Azerbaijan in summer 2007 and still cherish the memories. They are skilled musicians with impressive repertoire, experienced travelers and cheerful people. Hope to work with them again.

Dear Don, I've written this recommendation of your work to share with others. “No matter what your needs Don and the Dina Preston Band will never let you down. We have called on the Dina Preston Band many times to make our parties and corporate events a hit. Hands free operation is the key draw to the picture and watch this group put things in order and you can just kick back and enjoy your guests. **Howard J. Fleischmann**

Our company, USA Hosts, has worked with Don and the Dina Preston Band for many years. Don & Dina Simply put in 3 words; the Dina Preston Band was **Sensational, Dynamic and AWESOME!!!!** A mix of country, pop, rock and patriotic songs earned them a well deserved standing ovation. The U.S. Marines from Twenty-Nine Palms and Camp Pendleton sang with Dina on stage creating a legend on film that is being seen on military bases in Iraq and worldwide uplifting the spirits of deployed soldiers. The audience was roaring with laughter! Dina Preston is a tremendously talented vocalist with a beautiful and clear voice. Dina and Don are a rare combination of musical talent, enthusiasm and humor!!!

The Dina Preston Band is an awesome group of Pro's !!! We were in awe of their talents and that we could get them for our New Year's Eve bash. Completely charming and pleasing to work with **I would recommend them to anyone who wants an all around band that is capable of managing any audience no matter how diverse.** At our event we had all kinds of different demands from ballroom music (including a tango), also rock, country, oldies, etc. and they handled all of it with grace and poise. **They have experience, and they have lots of class, and they are really fun to work with!!**

We hired the Dina Preston Band for a corporate Western themed party. They did a great job of playing a wide variety of both classic and modern country. They sounded great and everybody enjoyed listening to the music throughout the evening. **The band is very organized and professional which was very important for a corporate function. Would definitely hire the Dina Preston Band again...**

Excellent Performers

I have seen them perform several times from large corporate events to more intimate private parties. They are very talented and get the crowd involved. They work very hard to become a part of your event and not just another add on.

Professional, personable, and sounds great!

These guys were a good act with a nice range of music. My scenario made a hard turn with my “Ammo Power Permit” not being granted. NO PROBLEM, these guys came on the scene and gave an entertaining Acoustic show.....
